Directions:

To Stop #1, Mick & Miki's Red Cedar Bar in Twisp

Exit Pateros to the North via S. Dawson Street, turning left onto US-97 Southbound. Cross the bridge and take a right onto WA-153, which you will follow for approximately 30 miles until it turns into WA-20 as you approach Twisp. 2.5 miles later, in Twisp, turn right onto E. 2nd Avenue, then immediately right onto S. Glover.

To Stop #2, Okanogan Casino (off Hwy 97 in Okanogan)

Exit Twisp going back on WA-20 the way you came in. In 2.5 miles you will turn left to stay on WA-20 (now Methow Valley Highway). Follow that for a scenic 30 miles over Loup Loup Pass toward Okanogan. As you enter Okanogan, you will take a right turn to stay on WA-20, then in 0.4 mile, just before reaching US-97, take a left on Appleway Road (parallel to US-97) and follow for another 0.4 miles to the casino.

To Stop #3, Chief Joseph Dam viewing area / rest stop

Get on US-97 Southbound and travel 7.7 miles to B&O Road. Turn right on B&O Road, which will turn left and turn into Old US-97. Follow Old US-97 for 15 miles until it intersects with US-97 near Brewster. Take a left onto US-97 and follow it for 4 miles, where you will keep to the right to take WA-17. In 8 miles you will see the dam on your left, and then turn left onto Half-Sun Way / State Park Golf Club Drive. Chief Joseph Dam viewing area / rest stop is on the right.

To Stop #4, Brewster American Legion

Exit the rest area and continue East on WA-17 over the bridge. On the other side of the bridge you will take a right onto WA-173 and follow it through Bridgeport (several turns) and on toward and into Brewster. In Brewster, turn right onto E Main Street and the American Legion will be at the end of the street.

To the Finish – return to Pateros Memorial Park

Exit Brewster back down E. Main Street to US-97, turn left onto US-97 and follow it for 6 miles back to Pateros.
